Provide a description of the proposed project which includes the purpose of the project. Please be clear as to whether the funds you are requesting are for design, planning, site acquisition or construction. **Please be as comprehensive as possible in the description of this project.** (If necessary, attach response in a separate document.) ***Note: only capital projects will be considered.**

The Town of Wolcott would like to regrade and install proper drainage to our Sports Field behind Frisbie School.

How will this project impact and benefit the community? Please include any projected economic impact and job creation or retention estimates.

This field is utilized by our Elementary School students during the day and is used by many of our sports organizations after hours. We would like to be able to use it regularly without dealing with the drainage issues and also host more sports functions there. We are hoping this job will employ 6-10 workers.

What, if any, planning or design work has begun or been completed on this project?

None

Is the proposed project consistent with the State Conservation and Development Policies Plan? (Plan detail is available at: www.ct.gov/opm/cdplan.)

Yes

Will the project require the conversion of lands currently in agricultural use to non-agricultural use? Does the project area contain prime or important agricultural soils that are greater than 25 acres in area?

No

Does this project involve a state right-of-way? If yes, please provide the location and a brief explanation.

No

Describe the environmental and social impacts of the proposed project. For example, impacts related to traffic, floodplains, natural resources/wetlands, endangered species, archeological resources, historical structures, neighborhoods, utilities, etc. *(If necessary, attach response in a separate document.)*

None

Is this project a phase of a larger plan? If yes, please complete the following:

What phase are you applying for? _____

How many phases are there total? _____

What state agency administers this project? _____

Who is the agency contact for this project? _____

Attach additional information regarding the overarching, long-term plan.

Project Funding – Please indicated whether funds are secured or proposed

Please complete the following table detailing project funding sources. Examples of the other sources include: other state grants (please specify which), federal grants (please specify which), past STEAP awards used for previous phases of the project (please specify fiscal year), etc. Under uses please indicate estimated costs including, but not limited to, professional services, acquisition, construction, renovation, contingency, etc.

<u>Funding Sources</u>	<u>Total</u>
FY 2014 STEAP grant	\$150,000.00
Local (applicant) funds	
<u>Other funds:</u>	
Total Project Cost	\$150,000.00
<u>Uses (Project Budget)</u>	
Total Project Cost	\$150,000.00

Of the proposed funding sources listed above, what is the anticipated source and timeline for these funds?

We have no secured funds to date. If awarded the \$150,000.00 there is no plan to apply for future STEAP Funds for this project.

Please detail, what funds, if any, have been expended to date for this project?

None. Enclosed is the projected budget for this project.

If this is not part of a multi-phase project, has any work already begun? If yes, please summarize.
No.

If this is a multi-phase project, please provide a brief summary of the work completed to date.

Is there any other relevant information you feel may be helpful to, please include it below:

Will this project move forward if the requested STEAP funds are not awarded or are awarded in part? Please explain.

Not at this time. The Town does not have the resources to fund this project without the STEAP monies.

Attach the following material:

1. Site location map
2. Real estate appraisals (if land acquisition is proposed)
3. Proposed project schedule
4. Project cost estimates supporting the request for funding (if available)
5. List of necessary local, state, and federal permits and approvals required for the project and the status of each
6. Environmental site assessments (if applicable)
7. If applicable, any town resolution(s) in support of application for this grant.

Please forward the items requested above with your application for STEAP assistance to:

My signature below, as First Selectman, Mayor or Town Manager of the Town of Wolcott, indicates acceptance of the following and further certifies that:

1. I will comply with any grant terms and conditions required by the administering agency;
2. I understand that should this grant application be approved I will be required to sign an assistance agreement/contract with the assigned administering agency delineating the terms and conditions of this grant;
3. I understand that various permits may be required by the administering agency as required by either the Connecticut General Statutes or Connecticut regulations;
4. I understand that funding associated with this grant application is one-time in nature and that there is no obligation for additional funding from the Office of Policy and Management or the State of Connecticut;
5. I understand that if this project warrants a Connecticut Environmental Policy Act (CEPA) review pursuant to Sections 22a-1 through 22a-1h of the Connecticut General Statutes that I will comply with such an environmental assessment. Further, if a CEPA is required, I understand that there are costs associated with such a review and that the municipality is in a position to continue with the proposed project despite this cost;
6. I understand that this application will be examined by the Intergovernmental Policy Division of the Office of Policy and Management for consistency with the State Plan of Conservation and Development and that I may be contacted if additional information is required for that review; and
7. I understand that projects which convert twenty-five or more acres of prime farmland to a nonagricultural use will be reviewed by the Commissioner of Agriculture, in accordance with Section 22-6 of the General Statutes.
8. I understand that any work done prior to signing a contract with the state agency assigned to administer the award will not be reimbursed unless other arrangements have been made, in writing, with the administering agency in advance.
